PETITION UNDER 37 CFR 1.47(a)
FOR FILING BY OTHER THAN ALL THE INVENTORS

Assistant Commissioner for Patents

Attn: Box Missing Parts

Washington, D.C. 20231

Sir:

In response to the "Notice to File Missing Parts of Application - *Filing Date Granted*" and in accordance with Section 1.63 of 37 CFR, applicants are submitting a DECLARATION FOR PATENT APPLICATION AND POWER OF ATTORNEY executed by each of three inventors (Patrick Murphy, David Quinn, and Les Johnson) and an ASSIGNMENT executed by each of the same three inventors. It should be noted that an old form was inadvertently used for the DECLARATION FOR PATENT APPLICATION AND POWER OF ATTORNEY. This form describes the address given for each applicant as the "residence". The ASSIGNMENT documents correctly show the same address given for each applicant as the "post office address". The address given for

each applicant on the executed DECLARATION FOR PATENT APPLICATION AND POWER OF ATTORNEY is in fact the "post office address" of the applicant.

One applicant, Kamal Arsanious, cannot be found. The attached letter from Ms. Carmen Delgado to Ms. Yvonne Loftin (and the accompanying Table) describes the efforts by Ms. Delgado, in our office in Clamart, France, to locate this inventor, including a) sending an Express Mail document on February 12, 2002, to his last known address (Schlumberger Dowell, 11042, 84 Avenue Grande Prairie, Alberta, T8V 6H2, Canada)) which was returned marked "Address changed – Not found" and b) requesting his current address from the other inventor (Les Johnson) who had last worked at the last known address of Mr. Arsanious. A copy of an e-mail exchange in April, 2002, with Mr. Johnson is also enclosed showing that he does not know the location of the other inventors. Mr. Toney told me by telephone on May 3, 2002, (see below) that he does not know where Mr. Arsanious is. Mr Arsanious had previously signed appropriate forms for filing corresponding applications in other countries.

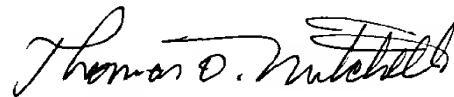

A second applicant, Allen R. Toney, has repeatedly stated that he would sign the forms and then he subsequently has not done so. Attached is a copy of a letter from Ms. Delgado to Mr. Toney, attached to which is an International Recorded Delivery Form that he signed in February, 2002, indicating receipt of the documents. The undersigned has spoken with Mr. Toney by telephone on two occasions, May 3, 2002, and May 9, 2002, during which he stated that he would sign and send the forms to the undersigned. Ms. Yvonne Loftin, CLA, spoke with Mr. Toney by telephone on May 22, 2002, at which time he again stated that he would sign and send the forms to the undersigned. The forms have not been received. Mr Toney's current address is 23 Edgington Ave., Red Deer, Alberta, T4R 2L1, Canada.

PATENTS
ATTORNEY DOCKET NO. 55.0206

Accordingly, the signing Applicants respectfully request that they may make the application without the Declarations of Mr. Arsanious and Mr. Toney under 37 CFR 1.47(a).

The Assistant Commissioner for Patents is hereby authorized to charge any required fees (or credit any overpayment) to Deposit Account No. 50-2183(55.0206).

Respectfully submitted,

From :	Carmen Delgado Intellectual Property Department SRPC – Clamart - France	File :	US 55.0206
RE:	Status on Inventor's document forms	c.c.	Martin Hyden Catherine Ménès

Yvonne,

Please find attached a summary list of actions I have done to obtain the documents signed by the inventors of our case 55.0206 in order to complete our US FILING as well as other corresponding foreign filings.

Also, is attached all the copies of the letters and e-mails sent for this purpose.

Today we have got the documents signed by the following inventors :

- David Quinn
- Patrick Murphy

The inventor **Les Johnson**, has confirmed today by e-mail having signed and sent the US forms.

The missing documents concern the following inventors :

The inventor **Kamal Arsanious** has left the company after having signed the forms corresponding to other foreign filings and his address remains today unknown. The document forms sent for the said US filing were sent directly to Les Johnson who could not forwarded them to him as he did not know the address of Kamal.

The inventor **Allen R. Toney** has well received the last mail sent with the documents enclosed but he has not retuned them to us. Copies of the letters and copy of the acknowledgment receipt signed by him are also enclosed.

Best regards

Carmen

Les,

I haven't received the documents signed yet as mentioned in your e-mail below. Please tell me when were the documents sent to me?

All the documents signed should be at the USPTO by 8 April last Official deadline.

If you have still got the documents for signature, and according to the short delay, please sign and return the documents directly to :

Catherine MENES -
Schlumberger, Dowell -

Hello Les,

I haven't received yet the signed US Forms. Could you please confirm you have returned to us the forms regarding the above-mentioned case in the US.

Thanks for your help.

Regards

Carmen

Hello Les,

We need your signature again for the US filing; Two US forms (Declaration and Assignment) are attached to this e-mail for signature to complete our Entry into national Phase in the US;
Other countries (Brazil, Canada, Norway and Indonesia are almost completed)- I havn't find yet Allen R. Toney but I have found David QUINN (Switzerland) and now I don't know where Kamal Arsanious has disappeared, I didn't find his e-mail address in the Directory. Do you know where is he located now. I need to send the US forms for signature.

Please tell me if you have any problem in reading or printing the attached forms.

Thank you very much for your kind cooperation

Best regards

Carmen
